Speaker of the Council, Members of the Mayoral Committee, Councillors, Municipal Manager, and most importantly, the residents of the Central Karoo.

I stand before you today to table the Second Adjustment Budget for the 2026/2027 financial year and the outer years of the Medium-Term Revenue and Expenditure Framework (MTREF). The Medium-Term Expenditure Framework should guide the Municipality with regards to its funding requirements in the medium term (3 years).

The aforementioned capital requirements are only indicative of the confirmed funding for the MTEF and do not include issues of priority where funding applications are in process and have not yet been confirmed.

The Municipality is funding 97% of the capital budget using grant funding and the expenditure is focused on fire services and water resilience.

No adjustments were done on the capital budget.

TARIFFS

Tariffs are important to ensure the financial sustainability and economic viability of the Municipality and this principle was applied in the determination of the environmental health and administrative tariffs for the 2026/2027 financial year. The environmental health services functionality is not funded through the tariffs, the Health Function is funded via Equitable Share. Service to the community upon requests are however performed on the basis that directly accountable costs can be recovered.

FINANCIAL VIABILITY AND SUSTAINABILITY

The Municipality must ensure the financial sustainability of its operations and ensure that it operates as a going concern. The budget for 2026/2027 financial year as well as the outer 2 years reflect a deficit. This is due to the discontinuation of the Roads function.

SDBIP (SERVICE DELIVERY AND BUDGET IMPLEMENTATION PLAN)

The Municipality's business and service delivery priorities will be fully reviewed as part of this year's planning and budget process. The top-level service delivery and budget implementation plan will be submitted to the Executive Mayor within 14 days of approval of the Annual Budget and the IDP for approval by the Executive Mayor within 28 days as per section 69 and section 53 of the Municipal Finance Management Act. The SDBIP will be submitted to Council after approval by the Executive Mayor for information purposes.

POLICY CHANGES

Management is currently busy with the annual review of all budget related policies.
