## GOVERNMENT MESSAGES ON

### VACCINE

- Best options on the vaccine rollout are being considered by government to protect the population against COVID-19.
- Department of Health will continue with the planned phase 1 vaccination using the Johnson & Johnson vaccine instead of the AstraZeneca vaccine.
- The Johnson & Johnson vaccine has been proven effective against the 501Y.V2 variant and will be rolled out to health care workers as part of a research project.
- The adherence to health protocols remains the fighting mechanism to protect ourselves from COVID-19.
